To add or remove a group member follow these steps:

1. We access the DISCO website: http://disco.uv.es/ and click on the CONECTARTE button

2. On this screen we visualize the groups to which it belongs

3. We select the group to which we want to add or delete one or several users

4. We click on "Group Management"

5. Click on the "Members" button

6. If you are Group Administrator you can add or remove users, change permissions, etc.
7. At the end of the relevant modifications, click on the "Apply" button.
