(EN) It does not allow me to enroll in the subjects I need - UV registration

A.- Is it an optional or compulsory subject?

SOLUTION. - You must take into account that the tab of the optional subjects is different from the compulsory ones.

B.- If it is a compulsory subject.

SOLUTION. - You must enroll first of the pending subjects of previous courses.

C.- It may be that there are no available places in that subject.

SOLUTION - Contact the center

D.- You have not approved 36 or more credits in the last two years.

SOLUTION. - The enrollment regulations only allow you to register 36 credits (Article 8 of the Registration Regulations).

You can present an instance in the Department of the Faculty addressed to the Dean, requesting that you exempt him from the penalty and authorize him to enroll for more credits. You must attach the supporting documentation of the alleged grounds.
